

KSSS 2025

The 42nd International Congress of Korean Society of Spine Surgery

May 21 (Wed) – 23 (Fri), 2025

Lotte Hotel Seoul (Sogong-dong), Korea

Invitation

Dear distinguished guests, colleagues, and friends,

It is a great honor to welcome you all to the 42nd International Congress of the Korean Society of Spine Surgery (KSSS 2025). As president of this esteemed society, I am privileged to host such a distinguished gathering of spine surgeons from around the world, united by our shared dedication to advancing spinal care and surgery.

KSSS 2025 offers a unique platform for the exchange of cutting-edge knowledge, the sharing of innovative techniques, and collaboration aimed at improving patient outcomes. While spinal surgery has seen remarkable advancements, we continue to face evolving challenges, demanding our commitment to excellence in both clinical practice and research.

I would like to extend my heartfelt gratitude to each of you who have traveled from near and far to be here. Your dedication to advancing the field of spinal surgery is what makes this conference both possible and impactful. I am confident that the discussions and collaborations we will engage in will not only deepen our understanding but also spark new innovations in spinal health.

My special thanks go to our organizing committee, sponsors, and partners, whose hard work and support have brought this event to fruition.

Let us take this opportunity to foster new connections, strengthen existing ones, and collaborate to shape the future of spinal care for the benefit of our patients and our profession.

Once again, welcome, and I look forward to a productive and inspiring conference ahead.

Sincerely,

PARK JB

Jong-Beom Park, MD, PhD
President, Korean Society of Spine Surgery
